

## **Faster Journeys**

### **Which routes are part of the trial?**

8a, 8c, 45, 47, 50, 63

### **Are any other routes affected?**

Customers who use other services may be affected by the trial. Some suspended (not in use) stops have multiple services that use them. These stops will also be suspended for all services. Services 2, 3, 5, 11 A, 11C, 19, 27, 31, 34, 34A, 34S, 35, 49, 50A, X64, 76, 80, 80A, 98, 144, 146, 150, 424, 801, 802 and 886 are affected and suspended stops are detailed in the "Bus stops not in use" section.

### **Bus stops not in use**

The bus stops that are affected are detailed in the next section. The bus services are in numerical order. You will find out

- The bus service number
- The bus service route
- The direction of the bus
- The road the bus serves with either an adjoining road or a location eg school
- The type of shelter/stop – enclosed shelter, unenclosed shelter or bus stop pole
- Your nearest stops that are either side of the suspended stop
- The type of shelter/stop for your nearest stops
